Manvir Singh

ENGINEER & SOFTWARE DESIGNER

Distinguished Achievements

2nd Place – ROP Career Challenge (Fresno)

Demonstrated advanced technical agility by architecting and deploying a functional website in a strict 90-minute timeframe.

Academic Honor Roll (Class of 2027)

Maintained rigorous academic standards and a 4.11 GPA throughout high school enrollment.

Technical Proficiency

- **Systems Engineering:** Hands-on experience with Arduino UNO, ESP 32 Cam Modules, and Motor Shields via Arduino IDE.
- **Web Architecture:** Proficient in HTML/CSS development, Git/GitHub version control, and Netlify deployment.
- **Design Tools:** Skilled in Adobe Photoshop for technical and creative assets [cite: 26].
- **Operations:** Typing speed of 35 WPM.

Experience & Leadership

- **Drama & Arts (2 Years):** Active involvement from 6th–7th grade, refining public speaking and collaborative creative skills.
- **CTEL Leadership:** Selected participant in Career Technical Education Leadership (9th and 11th grade).
- **Community Service:** Completed 10 hours of volunteer service at a local Thrift Store and 5 hours of peer tutoring.
- **Athletics:** Completed a Half Marathon in 2017.

Personal Reflection: Manvir identifies **Problem Solving** as his strongest personal asset [cite: 70]. He describes himself as **Adaptable**, **Passionate**, and **Ambitious**.
